C — G

L.H. G — D  
5 — 1  
C — G  
5 — 1

G-D position

C-G position

EIGHTH NOTES

### HAND SHIFTING

Observe in the piece on this page that the Left Hand plays in two Positions, the G — D Position, and the C — G Position.

In the piece on this page there are four counts in a measure. Each count may be represented by a Quarter Note. Sometimes two notes are played to one count. These are Eighth Notes, and two Eighth Notes are equal in value to one Quarter Note.
